Some Memories of Dad and the family, 1st photo was taken in June of this year at a family cookout. 2nd photo was in the early 1980s, Mom never missed an opportunity to get us all in a picture, she may not have known it at the time but we all cherished these photo memories. The 3rd photo was taken in June of 1962 when Mom and Dad where married. We may not have my Mom and Dad around but we still have a life time of their memories, thanks Mom for the hundreds of pictures that you took.
