Jim was such a lovable character. He'd come into my office (Star Logic), turn his back towards me and tell Kevin (Lloyd) to pull his finger. So many laughs and smiles with Jim. And he loved my dog, Josie (R.I.P. 10/18/24) and always allowed me to bring her to the office whenever I asked. She adored Jim and secretly adopted him as a doggie daddy. Thank you Jim for the fun and happy memories. You will be greatly missed. My deepest condolences to Jan, Missy, Stacey, Sarah and the rest of the family.

He was one of my regulars at North Shore Ez Mart, he was always so sweet and nice, every-time he'd play the Power Play lottery, we'd always joke "Dream Big", Hopefully he is in peace in heaven.

Dad, you have always been the voice of reason. Always loved me for who I am. Sat and cried with me when I begged for money to feed the kids on the commercials...you said, "Honey, that's one one of the reasons I love you so much. Because you feel so much.". I always will, Dad.
