Lee was a humble and confident leader. He steered me into a great career, which I left only to serve God full time. I greatly appreciated the help and direction he offered me early in my life. He later asked me to coach the church softball team, which again changed my life forever. That brought out my leader abilities. I know he was close to God, and that is what was spilling over on me. I am pleased Lee listened to Jesus as he was coaching me into abundant life. Walda was also a wonderful help to me and Toni, my wife, and our children. I am sure numerous others benefited greatly from knowing Lee and Walda. Toni and I are sorry to have missed his Memorial Service. (We learned of his passing the Sunday after.) Our prayers for peace and comfort are with Walda, their children, and their families. With Love and Gratitude, Jim and Toni Keck

Dearest Walda & family, I've been so privileged to know Lee & to witness his strong testimony for the Lord and his love for others. I've know Jodi and Ron for a long time, but got to know you both personally when you became host parents to exchange students. He was one of the best host Dads I've had over the years. Thank you so much for sharing your lives with me, and I pray that you will have sweet memories and lots of humor as you go forward in the days ahead.

I had the pleasure of being a county commissioner during a part of the time Lee was the Equalization Director. He was a stalwart director, first rate and caring leader in the county leadership. He became a friend. Blessings to his wife Wanda and the whole family.
