It is with profound sorrow that we remember Ronald, a man of abundant love, kindness, and humor. His wisdom was as boundless as his handiness; his creativity and intellect inspiring to all who knew him. To have grown alongside Ron's family formed familial ties that defined our community bond. He truly took on the role of a second father to many. His whistling echoed from his tidy garage will be missed by all; however, the imprints he left behind in our hearts can never fade. With love and respect, we usher him serenely into eternal peace.
