There are so many memories of my mother that always make me laugh. She could make anyone laugh if they were feeling down. She had a dark sense of humor, but it still made you laugh. She has the kindest soul when she took in our friend our senior year. She would lend a helping hand to anyone that needed it. Her pride and joy was her lizard MacKenzie, and she is moving in with me since I take all the pets of the family. I will miss my mom dearly. She was my best friend growing up, and she was always there me. ❤️

Hope was a kind and helpful person. Her absence will definitely impact many who worked with her. She was known by many who she served in her role as a City of Muskegon employee and will surely be missed by many people in the community. My prayers and condolences to her family.
