Martie, life is not going to be the same without you. I'm going to miss you so much, but I know you are at peace and there is no more pain. I keep thinking of when you were born, and how tiny you were. You looked like a little baby doll. You were always the life of the party when our family got together. When you got into your teenage years you looked up to me for advice. I always gave you the best I knew. You lived with us for awhile when Dawn was one. She loved having you here, and so did Mike and I. We took you downtown for the Thanksgiving parade one year, and you were up on Mike's shoulders. It was so cold, but it was a lot of fun. You were my little flower girl at our wedding. You were so adorable. There are so many memories that I will hold in my heart forever. You never forgot anyone's birthday or anniversary. You always sent up a balloon for the day that our loved ones had passed. You always called me on the date of Jordan's passing to let me know you sent up a balloon. I am going to do the same for you. I love you so much and my heart is aching. Thank you for waiting for me to say goodbye. Rest in peace my baby sister. You are heaven's newest darling. I'll always love you. ❤️🙏❤️

I remember making Martie's flower girl dress and fixing her hair for your wedding. I use to love making her dresses and fixing her hair before she went to school...miss those days.

Martie... You were not only my sister. You were my best friend. I'll always cherish all the good and bad times we had together. We had so much fun together, especially in our younger days. We grew old and our time to say goodbye came too quick. I'm gonna miss you so much. All our long talks in the wee hours of the morning when we were a distance apart. I'll know you'll greet me when it's my turn to pass. Goodbye my precious sister. Rest in peace 🕊️ You will always be in my heart! ❤️ Always remember that I love you most! 🙏🕊️

This morning , my Aunt Martie passed away peacefully. She was a very private person and most had no idea that she'd been battling colon cancer the past couple years. She was a trooper through it all. She taught me my first curse words (I still use them today), introduced me to The Babys, and always let me hang out in her room when I'd visit my grandma and grandpa. Yesterday my mom and I went to see her and say goodbye. I love you Martie. Give Jordan a hug from me please 🍷
