Sorry for your loss. I met Chris in high school (we played against each other in Football) as a 16 year old, and kept in touch with him intermittently throughout the years. I always liked him and always enjoyed his upbeat personality. Will miss our talks and hope to see him in Heaven. I'm so sorry for everyone affected by his loss and am sending all my love and prayers.

I'm so very sorry Brenda, Jim and all of the family. I've had so many great memories with Chris from childhood into adulthood. We wouldn't see each other for months or years sometimes and we would pick back up where we left off. He was just one of those people to me. I loved him very much and will miss him greatly. Here is one of my favorite pictures of us.
