I will miss my sweet sister Sandy very much , I didn't get to see her as often as I would have liked because of living so many miles apart but really did love visiting her when I had the opportunity ! She would always make you laugh she was one of a kind and had a crazy sense of humor ! I know she loved going to bingo and loved watching baseball (the Tigers) on her big screen TV and playing cards. Sandy I know you are fine now because you are with our dear mother , sister Rosie and your beloved husband Dwight . I take comfort in knowing that I will see you again and free of pain ! THANK you Sally for being there for her and helping her and thank you Laura for being such a good friend to her and taking care of her . I love you Sandy and will miss you a lot ❤️ until we meet again LOVE Your sister Susie
