# Steven Eric Eugene Alcorn

JUN 22, 1985 - FEB 25, 2020

**S**teven Eric Eugene Alcorn, age 34 was born in Muskegon on June 22, 1985 and passed away on Tuesday, February 25, 2020. Steven is survived by his parents, Eugene and Shirley Alcorn; Charelene Davis and Anthony Brantley; his son, Steven Eric Eugene Alcorn II; siblings, LaResa Shannon, Jessica Alcorn, Kim Alcorn, Pearlie Alcorn, LaQuitta Alcorn, Renoda (Tim) Hunter, Anthony Alcorn. In his short life, Steven enjoyed spending time with this son, family and friends. In his spare time, he enjoyed making wire wraps and working at the Electric Forest. Steven leaves behind a big family of aunts, uncles, cousins, grandparents and so much more. He was loved by many and will not be forgotten.

With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

Revelation 21:3-4

Cremation has taken place and no services are scheduled.

Hey Brother I sure do miss you. The world is crazy right now. We had so many good times together man and for that I'm truly grateful. From the first time we met I could tell it was nothing but love. One of those friendships where you just click and don't even question it. My very first forest and still my favorite was 2012 . I remember we got split up from the group but that didn't stop us from dancing and getting down and just loving life. I know you're up there smiling looking down and I can't wait to meet up with you again my friend. Much love until then.

Its so unreal and hard to watch our son go through this time. RIP Steven. Glad that are son had a relationship with you and you will be missed. Thank god for john always being there. Glad we could all coparent these last few years. So sudden so fast . The hardest thing now is watching our son growing into a man without you getting the chance to be here physically but he knows your his angel now and will be in spirit. Let your spirit be free and rest finally no more suffering. Although this will be a forever hard thing let us be strong and at ease of knowing that your free.

So many memories growing up. We got older and lost touch for sometime. But As adults we reflected on a lot of those fond memories. We talked about our struggles and the things and people that helped us overcome them. We talked about family.. he loved his family so much and I hope they truly know this. God bless much love lil bro
