Karen was a lovely woman. I looked forward to seeing her at every family reunion because I knew we would have a laugh and share a story. She always made me feel comfortable and we always had a hug for each other everytime we saw each other. It touched my heart that she thought enough of me to make a quilt for my wedding gift. She took time and effort to put it all together for me and she will never know how much that really meant to me. She will be missed by so many but I hope she has found peace now.

Karen was an extremely giving person who touched many lives. My heart goes out to her family who Im sure are already missing her tender heart and loving smile. There may be some comfort in knowing that she is with Aunt Doris and Uncle Harold and Wayne. My thoughts and prayers are with you.
