Will always remember you as the smiling fun loving cousin that you were. Growing up meant trips to Muskegon to visit all the Houstons. Fond memories. Sorry we never got out on that lake to catch bluegills.

Jerry will be remembered by numerous family and friends. He leaves an amazing legacy that will remain with all. His love for family, his music, his laughter, sports, fishing, and especially his love for his wife. One of our fond memories is when visiting us in Florida is taking a chair, his fishing gear and spending mega hours at the pond behind our home. He treasured being in the out of doors. An amazing and loved man. He will be missed.
