I have been with Jeffs mom for going on twenty years. So I became Jeffs stepfather, there wasnt anything that this awesome lad wouldnt do for me. Jeff was the type to show up do those special things, and you would find out later that he had been there. Our many chats will become my most precious memories. Jeffs very last words he texted , was I love you Eddie Mom and I will forever keep you in our hearts. We know you are with your dad and waiting for us, so soar with the angels till we meet again. We love you so much. Mom and Eddie
