Lyle got to be a close friend while I was incarcerated at McAuley,,,,, actually, its a great place to be when you need the assistance and support. I sat with Lyle and "the guys" for lots of meals. I, too, enjoyed the "grumpy"! "When are you going to eat?" "When I get ready!" He was so sick of being "sick and tired" that he left us peacefully. Thanks to both of you for sharing our grandson, Thom Im not sure what Id do without him. I also want to share the celebration of Lyles life. Im sure he has his wings by now and probably a halo cocked to one side like the hat Theresa bought for him.

Lyle and Theresa have been my neighbors for nearly 30 years. He helped me out so many times when I first bought my mobile home, and was SO patient with me and my ignorance! He could fix anything and did for many of us around the Oaks park. I still remember watching him with Tommy and Steven when I first moved there. He was such a good Grandpa. I know he didnt feel well for a long time and I hope he is now at peace. I will always remember his kindness. Sincere condolences to all who loved him and will miss him.
