Caynon, Madix and Adell, are Randy's greatest accomplishments, they are a part of him and he lives on in their hearts and memories. Nothing is forever, change inevitable I am confident that as dismal as life seems at the present, they will come out more resilient and fierce in the end. My sister Jess, the saying there's a fine line between love and hate comes to mind since you two lived on this line with so much passion for each other. May Randy rest in peace, I love you all so much. Jillian Durante
