R-Suzy Fess lit a candle in honor of Raymond.

I will miss your smile every morning and evening. You always spread sunshine in our days. Walmart will not be the same without you. You would always say. " Good Morning Robin, how are you?" I would reply, " you know, another day, Another dollar," Then you would laugh and say, " You make a dollar?" It would make us both giggle. And every evening I would go home, I could always count on have a good night. Those were the last words I heard from you. I will never forget you, you are a legend, a classic and irreplaceable. We will forever love you Ray. R.I.P until we all met again. ❤️👤
