I have soo many good memories with Karan. We could sit and talk for hours and laugh Soo hard !! She was the best. I'll miss her laugh the most and her hugs. I think one of the best days tho was when we went up to silver lake to meet my aunt and uncle who had been visiting from the UP. They had been camping and would do "craft days" where anyone could come and make stuff. I think we made a light up mason jar covered in sea glass. Karan always loved the beach so that was a perfect craft for her. She's still got that jar somewhere. She meant so much to me. She helped me when I was grieving my own mother. We truly had a special bond and I will forever cherish that. Until we meet again. Xoxo 😊
